The 2006 vintage of Otis Kenyon Cabernet Sauvignon was in 20% new French oak, 40% new American oak and 40% neutral oak for 19 months. This creates the perfect balance for 100% Cabernet to show off both its rich fruit and luscious mouth feel.

A deep plum color turns to bright cherry, indicative of what is to follow. Initial aromas of cinnamon and clove will make you think of curling up by a winter fireplace, but on second sniff, out come the berries! Plum, pomegranate and creamy strawberry are paired with the soft tannins, minerality and acidity for which Otis Kenyon wines have become known.
